Construction and Traffic Highlights for the Week of 10/09/2017

- (1) **FLAGLER MEMORIAL BRIDGE:** Construction continues on the Flagler Memorial Bridge. Please be advised Flagler Memorial Bridge, Quadrille Boulevard between Dixie Highway and Flagler Drive, and Flagler Drive between Fourth Street and Seventh Street will have intermittent lane closures from 9 p.m. Friday, Oct. 6, until 6 a.m. Saturday, Oct. 7, for the installation of permanent striping. The intersection of Royal Poinciana Way and Coconut Row/Bradley Place also will have intermittent lane closures during this time.

For more information about the Flagler Memorial Bridge Replacement Project, call Public Information Officer Angel Gardner at (561) 886-8773 or email her at Angel@valeringroup.com. Information can also be found on the project website: www.flaglerbridge.com

- (2) **SOUTHERN BOULEVARD BRIDGE:** Construction continues on the Southern Boulevard Bridge. The westbound lane of Southern Boulevard Bridge will be closed from 7:30 p.m. Thursday, Oct. 12, until 6 a.m. Friday, Oct. 13. Flaggers will maintain two-way traffic in the eastbound lane to allow crews to pour concrete for one of the temporary bridge piers.

For more information about the Southern Boulevard Bridge Replacement Project, call Public Information Officer Angel Gardner at (561) (561) 886-8773 or email her at Angel@valeringroup.com. Information can also be found on the project website: www.southernblvdbridge.com or [http://www.d4fdot.com/pbfdot/Southern Boulevard SR80 Bridge Replacement.asp](http://www.d4fdot.com/pbfdot/Southern%20Boulevard%20SR80%20Bridge%20Replacement.asp)

- (3) **STREET LIGHT REPLACEMENT-TOWNWIDE:** The Town's street light contractor will be working on North County Road or Bradley Place from Wells Road to Royal Poinciana Way performing electrical and restoration work. The contractor will also be working on Coconut Row from Royal Poinciana Way to Chapel Hill Road and on South County Road from Royal Palm Way to Worth Avenue. Two lanes of Traffic will be maintained.

- (4) **LAKE TRAIL IMPROVEMENTS:** Paving work will resume at the following locations. The path will be closed at these locations from October 2 until October 27.

- Tangier Ave. to Dunbar Road
- Dunbar Road Cul-De-Sac
- Whitehall Way toward Seaview Ave.

- (5) **NIGHTINGALE TRAIL AND LA PUERTA WAY UNDERGROUND UTILITY IMPROVEMENTS:** Please read construction signage carefully while travelling in that area. Road restoration of La Puerta Way, Nightingale Trail, East end of El Pueblo Way, North Ocean Blvd. (from El Pueblo Way to Nightingale Trail), North Ocean Way (from La Puerta Way to Nightingale Trail), and North Lake Way (from La Puerta Way to Nightingale Trail) will begin on October 9th. Resident and visitors are asked to refrain from on-street parking in those areas.
- (6) **TOWN-WIDE UNDERGROUNDING: (East Side of North Ocean Blvd., between Mediterranean and Caribbean):** Burkhardt Construction is scheduled to work this Saturday, October 7th to expedite the Town-wide undergrounding project - Phase 1 North. Directional drilling will occur between 8:00am to 6:00pm. Work will take place along the east side of North Ocean Blvd., between Mediterranean and Caribbean for installation of a 6 inch FPL feeder conduit. Two-way traffic will be maintained with flaggers.
- (7) **FPU GAS LINE REPLACEMENTS:** Installation of gas lines, gas service connections and road restoration will take place on the following streets. Traffic will be directed by flaggers.
- Royal Poinciana Plaza
- (8) **TOWN-WIDE UNDERGROUNDING (ONONDAGA AVE. TO NORTH TOWN LIMITS)** Laurie Lane & Onondaga will be closed to through traffic (Local Traffic Only) for water main and storm drainage installation. North Ocean Blvd (from Debra Lane to Caribbean Rd.) - One lane of traffic will be closed for the installation of underground conduit. North Ocean Blvd (from Indian Rd. to the East Inlet) - One lane of traffic will be closed for the watermain installation. Traffic will be maintained with flaggers. Note: Contractor will be working on Saturday, October 7, 2017.
- (9) **AT&T WORK IN THE RIGHT OF WAY-** AT&T's contractor Hypower has a Right of Way Permit to install new conduit on Cocoanut Row from Australian Avenue to Royal Palm Way. The Contractor intends to work from the parallel parking spaces adjacent to the southbound lane. They also have a Right of Way Permit for Australian Avenue from Cocoanut Row east to South County Road and also intend to use the parallel parking along the north side of the road. Flaggers and advanced warning signs will be present to assist traffic flow. Work at the Intersection of Cocoanut Row and Royal Palm Way will be performed at night to minimize traffic impacts.
- (10) **SOUTHERN BOULEVARD WATERMAIN MAINTENANCE:** The City of West Palm Beach's contractor is Felix Associates of Florida will be performing inspections and maintenance on the City's watermain. The project from Washington Road in West Palm Beach to South Ocean Boulevard in Palm Beach. The maintenance is anticipated to be completed on or before November 22, 2017. Two-way traffic will be maintained on Southern Boulevard. Intermittent closures, when required, will be scheduled to occur during nighttime hours. For information regarding the project, please contact the City of West Palm Beach, Engineering Services Department at (561) 494-1040.
- (11) **CITY OF WEST PALM BEACH WATER SERVICE WORK-** The City has been issued a Right of Way permit for **1053 and 1098 North Lake Way** for new water services. Work is not expected to last more than a day or two. The City will maintain access to all residences in the area. Traffic will be maintained with signs and flaggers.
- (12) **FLORIDA POWER & LIGHT** – FPL has been issued a Right of Way permit and will be working in the following locations. Traffic will be maintained by signs and flaggers.
- Bradley Place at Oleander Avenue
 - North County Road at Seminole Avenue

- North County Road at Everglade Avenue
- North County Road at Atlantic Avenue

(13) WATERMAIN MAINTENANCE: The City of West Palm Beach will be working on Sunrise Avenue between Bradley Place and North County Road. The contractor will maintain two-way traffic and parallel parking will be unavailable during the time the work is being performed. Two-way traffic will be maintained by signs and flaggers. Please drive carefully within the area.

(14) TOWN WIDE CURB PAINTING: This project involves painting of existing yellow curbing throughout Town. There may be periodic blocking of parking stalls to complete these tasks. Curb painting staff will be wearing safety vests or safety shirts when in ROW, no traffic flow should be impeded.

(15) STREET LIGHT PAINTING: The Town's painting contractor, Roof Painting by Hartzel, will be painting streetlights adjacent to Town roadways. There will be intermittent sidewalk closures and parking space closures. There will be advanced warning signs posted, traffic cones, and flagmen directing pedestrian's and traffic to alternate routes as needed. The following streets and roadways will be affected:

- 400 block of Royal Palm Way
- Gulfstream Rd
