

Landmarks and Historically Significant Buildings Town of Palm Beach

Landmark and landmark site means an unimproved parcel of ground, including, without limitation, earthworks (landmark site) or a parcel of ground with improvements (landmark), wheresoever located in the town of particular historic, architectural or cultural significance, which landmark or landmark site meets the criteria set forth in section 54-161.

Historically significant buildings means any building which, in whole or in any structural part, which is at least 50 years old; which meets at least one of the four criteria for designation listed below in section 18-305(c); which is located within a historic conservation district approved by the town council at a public hearing; which is worthy of preservation, but may not rise to the level of a landmark building; and as such is eligible for the exception to the flood hazard area requirements of the Florida Building Code, Existing Building, Chapter 12, Historic Buildings.

The following pages list Town of Palm Beach Landmarks and HSBs.*

* This list is subject to updates and revisions as properties are studied for their historic contribution. For additional information on the Landmarks program or designation, please reach out to Town staff at 561-227-6414.
