# TOWN OF PALM BEACH
# EMPLOYEE NOTICE

**Cigna®**

## Read this important communication from Cigna

### Cigna covers cost of COVID-19 tests for customers

If deemed necessary by a health care provider, Cigna will cover COVID-19 testing at no cost, waiving co-pays, deductibles and co-insurance for employees and their family members enrolled in the Town's health insurance.

For questions about benefits and coverage, visit mycigna.com or call 888-806-5042 for one-on-one direct access to assistance any time day or night.

You may still get your flu shot. Employees enrolled with Town insurance may obtain the vaccine at no charge so long as

(1) you visit any **in-network provider** at either a clinic, pharmacy or physician office and

(2) the facility processes the flu shot as preventative care.

**Released March 10, 2020**
