

PALM BEACH
POLICE DEPARTMENT
PARKING
ENFORCEMENT UNIT

The Palm Beach Police Department enforces parking regulations in compliance with Florida State Statutes. The Florida State Statutes may be different from those of other states or other countries, so all drivers with disabled placards or license plates should familiarize themselves with the law as it pertains to Florida.

If a vehicle is ticketed for a parking violation due to failure of the driver to display a valid disabled placard, the Palm Beach Police Department will rescind the ticket without the driver having to attend traffic court. Please call the Parking Enforcement Unit at (561) 838-5465 for instructions.
